Lauren Dunne Astley Memorial Fund

The Fund's mission is to promote dynamic educational programs, particularly those in the areas of the development of healthy teen relationships, the arts, and community service. Lauren was a self-possessed young woman of energy, hope, and caring, who lived her life with laughter and to the fullest. Lauren Dunne Astley, 18, died on Monday, July 4, 2011, in Wayland, MA.

Lauren's parents are focused on how each of us can work together to change our communities so that tragedies like this are avoided in the future; that the environment our children go to school in will be a safer, less violent and more accepting one. This fund will support educational opportunities through the schools in our community to try to teach children early about healthy teen relationships, signs of troubled behavior, and self-esteem. Lauren was also a gifted musician, so the fund will also support others in their pursuit of the arts.

Lauren was very considerate of others and consistently gave of her time and resources to help those less fortunate. She went to help victims of Katrina on three separate occasions. The fund will support those who wish to follow Lauren's footsteps in supporting others inside and outside of our community.

The Muses

The Wayland High School Muses were founded in 1997, establishing a legacy of strong musical performance and sisterhood that continues to this day. The Muses are a group of best friends first and foremost who cherish Thursday and Sunday rehearsal nights to come together and make music with people they love.

To all Muses who sang with Lauren, we knew her as an integral part of the group that we couldn't do without. Lauren showed her love for the group with her unique enthusiasm that showed as a strong soloist, a resourceful team player, and always, always, always the first one to make the rest of us laugh. To all members of our ensemble, Muses is a non-negotiable part of life - we don't go to rehearsal because it's scheduled, we go to rehearsal because it's a necessary part of life. Lauren is also a non-negotiable part of our life. Because of Lauren, the lyrics to our signature song "New Day," have never been more true: I will love you more than me, and more than yesterday.
